Position Announcement:
Temporary/Seasonal Restoration Technician

The Comfort Lake-Forest Lake Watershed District is seeking candidates to work in the position of Temporary / Seasonal Restoration Technician. As a member of a small, collaborative team, this position provides technical assistance in water resource protection as it relates to implementation of the goals, policies, and programs identified in the Watershed Management Plan (WMP) of the Comfort Lake -Forest Lake Watershed District (District). The position adds value by assisting with program and project implementation, coordination, and recordkeeping.

Salary range will be $19-$22/hr and this position is not eligible for benefits. Qualified candidates must have a valid driver's license.

Preference given to candidates with a knowledge of watersheds, stormwater management, natural resource management, local government operations and regulations. Professional experience with two or more of the following items: GIS/Remote Sensing, Land Management, Restoration Ecology, Landscape Architecture, Conservation Planning.

If interested, please go to clflwd.org/employment to review the full job description. To apply, submit a completed application form to the email info@clflwd.org. The position will remain open until filled.
