

MEMORANDUM
Comfort Lake-Forest Lake Watershed District

To: Board of Managers

Date: December 9, 2016

From: Mike Kinney

Subject: Moody Lake Story Map

Background/Discussion

The purpose of this agenda item is to revisit the GIS-based Story Map feature that EOR developed for Moody Lake earlier this year. This feature was last discussed at the February 25, 2016 regular board meeting. EOR will provide a presentation on the application, and then future utilization and costs may be discussed.
