NOTICE FOR SPECIAL MEETING AND AGENDA COMFORT LAKE-FOREST LAKE WATERSHED DISTRICT

DISTRICT TOUR

Saturday, August 27th, 2022

8:00am – 12:00pm

Lakeside Memorial Park

95 East Broadway Avenue, Forest Lake, MN 55025

The Comfort Lake-Forest Lake Watershed District (CLFLWD) traditionally holds a public watershed tour every couple of years with the purpose of providing managers, local government representatives, and the public with in-person exposure to the various program and project sites throughout the District.

The 2022 District Tour will depart from Lakeside Memorial Park at 8:00am sharp. The tour will visit several recently completed project sites, upcoming project sites, and include several program demonstrations. A light breakfast and refreshments will be provided.

The number of spaces available on the bus are limited, however tour participants may choose to drive separately, following the same route, and meet up with the larger group at the various stops. It is for this reason that RSVP is strongly encouraged. A detailed itinerary, tour materials, and the ability to tune into audio on the bus, will be provided to all participants who choose to drive separately.
