

## Summary of Board Direction Comfort Lake-Forest Lake Watershed District

2019						
Reference Number*	Date Given	Due Date	Direction Given	Notes	Assigned to	Completed/ Resolved?
66	10/24/2019	**	Obtain information about life insurance benefits and return to the Board	Working with agent to obtain a quote.	CLFLWD Staff	In Progress
2020						
Reference Number*	Date Given	Due Date	Direction Given	Notes	Assigned to	Completed/ Resolved?
7	2/13/2020	**	Share Highway 8 construction project details with Board of Managers and Comfort Lakes Association	Abigail, Trey, and Greg Greske (EOR) attended a virtual meeting on 3/17 to discuss the project. They are in the very early stages of planning, construction will not start for 2-3 years. They will share more information with us when available.	CLFLWD Staff	On Hold
15	3/26/2020	**	Look into research on the relationship between zebra mussel population density and water quality improvements in lakes, specifically as it relates to extrapolating population estimates from zebra mussel sampler plates.	Steve McComas indicated he has created an unpublished method for estimating the water clarity impacts of a lake's zebra mussel population. However, more sampler plates will need to be deployed in 2021 to get an estimate for Forest Lake.	CLFLWD Staff	In Progress
47	7/9/2020	**	Compare the percent imperviousness of the Forest Lake surrounding area to Wyoming.	This information is available upon request.	EOR	Completed
52	8/13/2020	**	Provide explanation as to the process leading up to widespread wetland buffer noncompliance in the Chestnut Creek development.	This information is documented in an internal memo for future reference, and staff has made adjustments to internal processes to avoid future replication of this issue.	CLFLWD Staff	Completed
58	9/10/2020	**	Staff to examine the political and hydrologic boundary questions pertaining to the area around Ashton Lake.	EOR and staff will present information regarding this boundary area, as well as the larger topic of a District-wide boundary review at a future board meeting.	CLFLWD Staff	In Progress
75	10/22/2020	**	Work with District engineer and legal counsel to put together guidance for residents in the District regarding removing debris from lakes	EOR staff has reviewed a draft and will provide the District with redlines and comments shortly.	CLFLWD Staff	In Progress
76	10/22/2020	**	Provide to MAWD Director a comparison of subwatershed analysis vs diagnostic study process for identifying water quality improvement projects	In progress.	CLFLWD Staff, EOR	In Progress
77	11/19/2020	**	Set a January workshop agenda to discuss office space needs and direction forward as a consequence of the Houston work.	To be set as directed by the Board upon reviewing consultant materials.	CLFLWD staff	TBD
81	11/19/2020	**	Staff to advise City on creeping utility encroachment along the Sunrise River near Hwy 8.	Blayne contacted both the City of Forest Lake (12-2-2020) and Ryan LaPointe (12-7-2020) regarding the encroachment. As of 12-9-2020, no equipment or vehicles had been removed from the 150 foot buffer area. along the Sunrise River. Blayne spoke with Donovan Hart at the City on 12-21-2020. Donovan said he would stop by LaPointe and speak with the owner. Blayne emailed the City again on 1-8-21 and 1-19-21. No response from City. At the 2-3-21 City of Forest Lake Engineers meeting, Donovan Hart said he was looking into the situation.	CLFLWD staff	In Progress
