

MEMORANDUM
Comfort Lake-Forest Lake Watershed District

To: Board of Managers

Date: August 14, 2020

From: Mike Kinney

Subject: Watershed Management Plan Update

Background/Discussion

At the August 13th regular meeting the Board discussed goals and priorities for the Floodplain and Lakes issue areas. Staff recommends the Board continue this exercise on August 20th, covering Streams, Wetlands and potentially Upland Habitat and Groundwater as well, depending on timing. The materials from the August 13th meeting are available at the link below and may be useful to reference in preparation.
