

MEMORANDUM
Comfort Lake-Forest Lake Watershed District

To: Board of Managers

Date: May 22, 2020

From: Mike Kinney

Subject: Lower St. Croix One Watershed One Plan Comments

Background/Discussion

At the May 14th regular meeting the Board was in agreement on the direction for Manager Anderson, Manager Schmaltz, and Administrator Kinney to prepare draft letters regarding the Lower St. Croix (LSC) One Watershed One Plan (1W1P). One letter will be sent to the LSC group by the June 3rd 60-day draft plan review deadline. This letter will focus on specific requested revisions to the plan itself. The other letter will be sent to the Board of Water and Soil Resources, not necessarily by June 3rd, but in a timely manner (aim for mid-June). This letter will focus on the bigger picture, suggesting improvements to the 1W1P process.

The draft LSC letter will be emailed out to other managers on May 27th or the morning of the 28th.
