PUBLIC NOTICE: Curly-leaf Pondweed Herbicide Treatment on Shields Lake

Forest Lake, MN - Notice is hereby given that the Comfort Lake - Forest Lake Watershed District, in conjunction with the MN Department of Natural Resources, will be conducting an aquatic invasive species herbicide treatment of curly-leaf pondweed in Shields Lake. A Diquat herbicide will be used and will be applied by a licensed applicator company, Lake Management Inc. Treatment of 3.27 acres of curly-leaf pondweed will occur within the month of May. A map of the treatment areas may be found below.

Questions about treatment may be directed to:

Garrett Miller, Watershed Assistant
