

MEMORANDUM

Comfort Lake-Forest Lake Watershed District

Date: December 22, 2022
To: CLFLWD Board of Managers
From: Mike Kinney, District Administrator
Subject: Election of Officers & Liaison Appointments

District Wide

Background/Discussion:

The purpose of this agenda item is for the Board to elect officers for 2023. There are two ways the Board can elect its officers.

Slate: A slate of candidates may be proposed. This would require a motion, second, and vote to elect the entire slate. This can be done if all managers agree with the entire slate.

Office-by-Office: Officers may be elected individually. This occurs if any manager opposes the slate and requests to proceed with the election office-by-office. The President requests nominations for the offices. A manager may nominate themselves or another manager. Nominations do not require a second. A manager may accept or decline a nomination. Once all nominations have been offered for a given office, an open vote is held. The Board may elect offices in one of the following orders:

Option 1

President
Vice President
Treasurer
Secretary
Assistant Treasurer

Option 2

President
Treasurer
Secretary
Vice President
Assistant Treasurer
