

Summary of Board Direction

Comfort Lake-Forest Lake Watershed District

2024						
Reference Number*	Date Given	Direction Given	Notes	Assigned to	Completed/ Resolved?	Estimated Cost
61	9/12/2024	Staff will write up and distribute to the managers rationale for not signing up for the EMWREP contract	Drafted and sent to the full board.	CLFLWD Staff	In Progress	
60	9/12/2024	Staff will, as appropriate, include reference to the DNR classification of waterbodies and wetlands that are the subject of presentations.	Staff have been advised and will implement.	CLFLWD Staff	Noted	
59	9/12/2024	Mr. Read send the board information on shoreline inventories for other lakes	Mr. Read will send out this information prior to the next board meeting.	CLFLWD Staff	In Progress	
55	8/8/2024	Regarding the State of the Watershed: prepare an outline of talking points for President Schmaltz and Manager Anderson, and prepare subwatershed-specific information for event tables.	Staff will send talking points to President Schmaltz and Manager Anderson. Staff will set up multiple tables, as event space allows, to provide information on a variety of topics including lake management-specific info, projects, programs, and partner organizations.	CLFLWD Staff	Completed	
39	5/22/24	Administrator Kinney was directed to proceed with soliciting a scope of work from UMN regarding shoreline outreach research.	The District's shoreline taskforce had a meeting on August 27th to discuss next steps. A meeting summary will be provided at a future board meeting along with a presentation to the board in early Oct..	CLFLWD Staff	In Progress	
19	3/28/24	Staff and engineers will communicate with the Highway 8 Roadway Project regarding stormwater treatment and road salt, and staff will keep Manager Anderson advised of meetings	EOR and staff are reaching out to inquire about the status of the EAW. EAW incomplete as of October 5th, 2023. Chisago County was to notify the District when it is complete. Long Ear bats have delayed project, EAW remains unfinished as of March 7, 2024. The most recent designs do include stormwater treatment facilities near the Comfort/Little Comfort crossing. Staff has been coordinating with MnDOT on BMPs including downtown FL area.	CLFLWD Staff	In Progress
