

MEMORANDUM

Comfort Lake-Forest Lake Watershed District

Date: December 30, 2024
To: CLFLWD Board of Managers
From: Mike Kinney, District Administrator
Subject: Floodplain Vulnerability Update

District Wide

Background/Discussion

Zan Associates, EOR, and District staff will provide an update on the floodplain vulnerability assessment including community engagement planning. This topic was discussed at nine board meetings in 2024.

Hydrologic & Hydraulic Modeling

Emmons & Olivier Resources presented at update on H&H modeling at the December 19th board meeting. For reference, please see the following documents:

- Phase 1: [GIS layer risk analysis, presented at June 4, 2024 special board meeting](#)
- Phase 2: [Modeling work to-date, presented at August 22, 2024 regular board meeting](#)
- Phase 3: [Current modeling scope of work, scope approved at August 22, 2024 regular board meeting; update given at December 19th regular board meeting](#)

Community Engagement

The Facilitation Plan and summary of community engagement were distributed in the [December 19th regular board meeting packet](#). The Board discussed the project timeline at the December 19th meeting and directed staff to postpone the January 8th community engagement workshop. The Board asked that Zan Associates attend the next board meeting and present the facilitation plan in greater detail. Zan Associates, EOR and staff will be in attendance to provide more information and answer questions.
