

## MEMORANDUM

Comfort Lake-Forest Lake Watershed District

**Date:** April 3, 2025  
**To:** CLFLWD Board of Managers  
**From:** Mike Kinney, District Administrator  
**Subject:** 2024 Year-In-Review, Annual Report, Progress Summary

**District Wide**

### **Background/Discussion:**

This topic was last discussed at the March 27<sup>th</sup> regular meeting where these 2024 year-end reports were distributed to the Board for review. Staff will give a presentation on the main highlights during the April 10<sup>th</sup> meeting. Staff will bring a recommended motion to approve the Year-In-Review, Annual Report and Progress Summary at the April 24<sup>th</sup> regular meeting.

Staff recommend managers discuss potential lake impairment delisting requests. If the District wishes to put forward one or more lakes for delisting this year, we should do so this spring to provide the MN Pollution Control Agency enough time for data review and processing.
