Summary of Board Direction

Comfort Lake-Forest Lake Watershed District

2024						
Reference Number*	Date Given	Direction Given	Notes	Assigned to	Completed/ Resolved?	Estimated Cost
76	12/19/2024	Staff will show the board the signage sketches for the WJD-6 Project before they are fabricated.	Landowners have indicated they may allow instalation of project signage, but request review and approval of the images prior to installation. Waiting on Board approval of general signage template. In the June 26, 2025 Board packet for approval.	CLFLWD Staff	In Progress	
75	11/21/2024	Staff will talk with Steve McComas, MAISRC and others to consider what use can be made of the zebra mussel sampler plate data and what correlations can be drawn. Additionally, research cleaning methods against new plates to rule out variability of mussel growth around individual lakes.	Zebra mussel counts of sampler plates have been completed. Staff will reach out to partners to discuss findings. Staff sent email to Steve McComas relating to data assesment and possible quality controls/assurances that could be implemented for ZM sample plates on Dec 16, 2024. Steve McComas has used plate sampling to characterize ZM densities and will work with CLFLWD staff to implement the technique in CLFLWD	CLFLWD Staff	In Progress	
67	10/10/2024	Staff will incorporate consideration of the DNR Score Your Shore and pledge programs into the shoreline data review.	Staff will integrate this into the ongoing shoreline program review, which will largely be completed in November.	CLFLWD Staff	Completed	
65	10/10/2024	Staff will bring the Board preliminary sketches for project signage.	The general signage template is in the June 26, 2025 board packet for review and approval.	CLFLWD Staff	Completed	
64	10/10/2024	In the new homeowner information packets, staff will develop materials particular to shoreline homeowners including references to ordinances using care how that is presented, and references to lake associations.	Staff are working with Moore Engineering (natural shoreline consultants) to decide the best approach and design for the new homeowner mailings/packets.	CLFLWD Staff	In Progress	
19	3/28/24	Staff and engineers will communicate with the Highway 8 Roadway Project regarding stormwater treatment and road salt, and staff will keep Manager Anderson advised of meetings	EOR and staff are reaching out to inquire about the status of the EAW. EAW incomplete as of October 5th, 2023. Chisago County was to notify the District when it is complete. Long Ear bats have delayed project, EAW remains unfinished as of March 7, 2024. The most recent designs do include stormwater treatment facilities near the Comfort/Little Comfort crossing. Staff has been coordinating with MnDOT on BMPs including downtown FL area.	CLFLWD Staff	In Progress
