

MEMORANDUM

Comfort Lake-Forest Lake Watershed District

Date: October 14, 2025
To: CLFLWD Board of Managers
From: Mike Kinney, District Administrator
Subject: Highway 8 Roadway Project

District Wide

Background/Discussion

Chisago County has undertaken, and received funding, for the Trunk Highway 8 Reconstruction Project. County employees have met with CLFLWD staff on several occasions to discuss the overall project and associated possible water quality improvements as a part of the pre-permitting planning process. The layout has been approved by MnDOT and right of way acquisition activities are underway. The county is working towards environmental clearance and 60% design.

Chisago County employees and consultants will attend the October 23, 2025, regular board meeting and share project details and answer questions from the CLFLWD board. The following individuals will attend:

Joe Triplett, Chisago County
Dmitry Tomasevich, Mndot
Brian Johnson, SRF Consulting
Bob Leba, SRF Consulting

The project is still in the design phase, and a permit application has not been submitted to CLFLWD.
