

Summary of Board Direction

Comfort Lake-Forest Lake Watershed District

2026					
Reference Number*	Date Given	Direction Given	Notes	Assigned to	Completed/ Resolved?
10	2/12/2026	Regarding the Forest Lake Tri-Party AIS Agreement, staff will provide an analysis of how funding has been applied to Forest Lake, Bone Lake, and Comfort Lake, in recent years.	In progress - will be completed by February 27	CLFLWD Staff	In Progress
9	2/12/2026	President Anderson asked that the rule revisions clarify timing to repair erosion control practices and that the District include coordination with the Department of Natural Resources (DNR) on shoreline regulation. Manager Schmaltz indicated the District should be sure to coordinate with municipalities as well.	Staff will meet with DNR on shorelines and municipalities starting in April	CLFLWD Staff	In Progress
8	2/12/2026	Manager Schmaltz asked that Aidan Read send him information on the staff request to the Forest Lake Lake Association (FLLA) regarding a shoreline project.	This will be completed the week of February 16th.	CLFLWD Staff	In Progress
7	2/12/2026	The Treasurer's Report will include a cash flow report each month.	Staff will prepare this information moving forward.	CLFLWD Staff	In Progress
6	2/12/2026	Mr. Sandager will take appropriate steps with respect to dirt in the ditch near Shields Lake.	City of Forest Lake has been contacted 2/13/26, site visit February 17	CLFLWD Staff	In Progress
5	2/12/2026	President Anderson asked EOR to review the reported water quality data for Comfort Lake and Little Comfort Lake, as shown on a recent flyer.	Anne Wilkinson reviewed the data and confirmed it is accurate. The water quality trends on the Accomplishments Summary budget handout were pulled directly from the 2024 Water Monitoring Report. The topics of statistical analysis and data history will be covered during the upcoming presentation on the 2025 Water Monitoring Report, currently slated for the April 9th regular board meeting, per the 2025 annual meeting calendar.	CLFLWD Staff	Complete
3	1/22/2026	Staff will look into DNR restrictions for the use of Diquat in treating curly-leaf pondweed on lakes with walleye stocking.	Meeting with DNR planned for Feb 20, 2026	CLFLWD Staff	In Progress
1	1/8/2026	Staff will provide the managers with the Forest Lake materials on Timm's Marina to complement the Environmental Assessment Worksheet (EAW). Staff and EOR will review those materials and the EAW, and then provide the board with a summary of comments/issues.	MK provided board members with EAW Jan 8, 2025. Staff requested EOR review EAW Jan 9. EOR has completed its review and it is being reviewed internally by staff prior to any further distribution.	CLFLWD Staff	Complete

Summary of Board Direction

Comfort Lake-Forest Lake Watershed District

2025						
Reference Number*	Date Given	Direction Given	Notes	Assigned to	Completed/ Resolved?	
32	6/12/2025	President Anderson will work on preparing a cover letter to accompany the Strategic Plan when being distributed to city councils.	<p>President Anderson provided the draft cover letter to staff and EOR on July 24th. Emily and Greg provided comments on July 24th and 25th.</p> <p>This item was put on hold while the District sought feedback from the City of Forest Lake on the Floodplain Resilience Action Plan. Staff received the City's comment letter in January 2026 and are working with EOR on responses. This topic will be revisited in March 2026 along with the Floodplain Resilience Action Plan.</p>	Board Member	In Progress	
28	5/8/2025	President Anderson will work with Staff developing an approach about shoreline vegetation protection.		Board Member, CLFLWD Staff	In Progress
