

MEMORANDUM

Comfort Lake-Forest Lake Watershed District

MEETING NOTES OF THE COMFORT LAKE-FOREST LAKE WATERSHED DISTRICT CITIZEN ADVISORY COMMITTEE Tuesday, March 17th, 2026

Attendees: Ted Hansen, Gary Kramlich, Tom Furey, Bob Hervig, Mike Miron

Others: Manager Jackie Anderson, Aidan Read, Brad Jernberg, Dave Vold, Adam Hjelm

Agenda

Watershed Update

Aidan Read, Land Management Specialist, provided an update on activities around the watershed. Updates included information on the upcoming annual reports, the status of the Heath Ave IESF project, and activities at the Bone Lake South Nature Area.

GreenCorps Application

The Committee discussed providing a letter of support for the District's application to be a GreenCorps host site in 2026–2027. Mr. Read gave an overview of the program and discussed the District's experience with two GreenCorps members. Gary Kramlich spoke in favor of the program, as did other members of the Committee. The Committee moved to have the Chair, Ted Hansen, sign a letter of support for the District's application.

Bone Lake South Public Meeting Preview

The Committee received a preview of the presentation for the Bone Lake South public meeting on March 30th. The presentation was an overview of the history of the property and the acquisition, and the plan for future use, restoration, and management. The Committee provided several comments and suggestions that will be passed along to staff for consideration in putting together final materials.

2026 AIS Plan

The Committee reviewed and discussed the planned AIS management for each lake in 2026. The presentation was provided for individual members to review further, and comments will be passed along to District staff.

Closing

Tom Furey was elected Chair for the April 14th meeting.
