

Comfort Lake Delisting Celebration

June 17th, 5:30 p.m. - 7:00 p.m.

Lord of the Lakes Lutheran Church
25402 Itasca Avenue, Forest Lake, MN 55025

Join your friends and neighbors to celebrate Comfort Lake's great water quality achievement!

After 24 years on the state's impaired waters list due to excess nutrients, Comfort Lake is now slated for delisting — a major milestone for the community and the lake itself. This achievement reflects years of collaboration, dedication, and stewardship from the Comfort Lake–Forest Lake Watershed District, the Comfort Lakes Association, the City of Wyoming, Chisago County, and many local groups, organizations, and community members who worked together to improve and protect the lake's water quality.

We will be having a short program to commemorate the activities and partnerships that have helped the lake reach this milestone. There will be a light supper, refreshments, and cake following the program.

Please RSVP via email to adam.hjelm@clflwd.org or by phone to (651) 395-5850 by June 10th.
