

Summary of Board Direction

Comfort Lake-Forest Lake Watershed District

2026					
Reference Number*	Date Given	Direction Given	Notes	Assigned to	Completed/ Resolved?
48	8/13/2026	Mr. Hjelm will prepare a review of food alternatives for the State of the Watershed event.	Noted in discussion outline for August 17th budget workshop	CLFLWD Staff	Completed
47	8/13/2026	President Anderson asked that staff develop a way to articulate to the public the flood resilience benefits of the Bone Lake South property.	EOR will quantify flood storage benefits as part of project feasibility and design. This information will be communicated to the public as part of project outreach and onsite educational signage.	CLFLWD Staff	Noted
46	8/13/2026	President Anderson asked for an update about lakeshore soil testing related to Eurasian watermilfoil.	Staff will provide an update detailing lakeshore soil testing.	CLFLWD Staff	In progress
45	7/23/2026	President Anderson asked that Mr. Holtman prepare a one-page informational document about the watershed board manager appointment process, and to investigate ways to ensure the confusion around the appointment process does not happen again, such as by seeking an opinion from the Minnesota Attorney General.	Completed.	Legal Counsel, CLFLWD Staff	Completed
44	7/9/2026	President Anderson asked staff to incorporate nitrogen and Eurasian watermilfoil (EWM) control into the District’s outreach efforts and to look into EWM control methods by limiting nitrogen inputs.	Staff will incorporate nitrogen control into the District's oureach efforts. Additionally staff will look into potential EWM control methods by limiting nitrogen inputs.	CLFLWD Staff	In Progress
37	6/11/2026	President Anderson will talk with staff about looking to arrange interviews with the local newspapers regarding the Greenbelt and Bone Lake South projects.	Noted	CLFLWD Staff	In Progress
25	4/23/2026	Staff will share with the Board the results of the University of MN lake user survey on Forest Lake.	Survey signage is installed around Forest Lake presently at public access points. Results will be analyzed and reported on at the end of the year/wintertime. Preliminary results from the 2025 survey year are available, but results are inconclusive as there were only 8 responses from FL users - far too few to draw any definative conclusions.	CLFLWD Staff	In Progress
9	2/12/2026	President Anderson asked that the rule revisions clarify timing to repair erosion control practices and that the District include coordination with the Department of Natural Resources (DNR) on shoreline regulation. Manager Schmaltz indicated the District should be sure to coordinate with municipalities as well.	Staff will meet with DNR on shorelines and municipalities starting in April. Met with City of Forest Lake 4-29. DNR meeting scheduled May 6, 2026. Met with PBWD June 4 to discuss shoreline program	CLFLWD Staff	In Progress
