

MEMORANDUM

Comfort Lake-Forest Lake Watershed District

Date: September 28, 2026
To: CLFLWD Board of Managers
From: Mike Kinney, District Administrator
Subject: Summary of Board Direction

District Wide

Background/Purpose

In 2018 the District added the Summary of Board Direction to its board meeting agendas. The purpose of this item is twofold: to obtain board consensus on any new directives for staff and to track completion of said directives.

The [CLFLWD Bylaws](#) outline managers' authority in Article I. 6 as follows.

6. Managers' authority.

- a. The president is authorized to speak on behalf of CLFLWD. No other manager may speak on behalf of CLFLWD unless authorized to do so by the Board of Managers.
- b. No individual manager may provide direction, instructions or authorization to the administrator or a CLFLWD consultant unless specifically authorized to do so by the Board of Managers or pursuant to the authority that manager possesses as an officer under these bylaws.
- c. A manager's request for information that would require more than 30 minutes of the administrator's time must be approved by the board of managers.
- d. A manager's request for information from consultants to CLFLWD, other than auditors or legal counsels, must be directed through the administrator.
- e. A manager may not request or authorize on behalf of the CLFLWD performance of services by the administrator, a consultant, the auditor or legal counsel unless authorized by action of the Board of Managers, which authorization will extend only to the extent and scope specifically authorized by the Board of Managers, or by direction of the CLFLWD administrator under the administrator's authority as delegated by the Board of Managers.
- f. Individual managers cannot bind the CLFLWD to agreements or expenditures, except as may be authorized by the Board of Managers.
